All information to enjoy your business travel

Welcome to PIA Togo !

In this document, you will find all informations you need to prepare and enjoy your business travel in TOGO.
Feel free to contact the Marketing team if more informations are needed.

Yellow fever vaccination

The yellow fever is a mosquito-borne viral disease present in Africa and South America. Vaccination is the best protection against this virus. Some countries, including TOGO require proof of yellow fever immunization for entry. Because of this, all individuals who receive a yellow fever vaccination receive an International Certificate of Vaccination (or 'yellow card') to certify they have been immunized. This card is what will be presented at an international entry point in most cases.

COUNTRY	WEBSITE	REMARKS
INDIA	http://ihrpoe.co.in/yf-vacc-centres.php	The appointment should be taken atleast 2 weeks prior
CHINA	http://www.bithc.org.cn/	International Certificate of Vaccination or Prophylaxis (ICVP) is called "国际疫苗接种证明书" in Chinese
DUBAI	https://www.dha.gov.ae/en/ServiceCatalogue/Pages/	Only applicable for Dubai citizens
EUROPE	https://www.ecdc.europa.eu/en/yellow-fever	

Visa

A visa is required for all Togo visitors despite of ECOWAS Citizens for a stay of less than 90 days.

The details for the passengers should be shared in the following format, so that the invitation letter can be issued by PIA.

S.No.	Name	Passport No.	Place of Issue	Date of Issue	Valid Upto
1	Mr.	XYZ1234	ABC	01/01/2020	01/01/2030

The visa can be take at Gnassingbe Eyadema's airport. A visa of three (3) days is deliver and if need more, the formalities will be make at the "Direction Générale de la Documentation Nationale" (DGDN).

The documents to provide are:

- Information forms
- Four (4) ID photos

COVID Test

The Togolese Government recommends that all travelers departing from or going to Lomé must have travel insurance or international health insurance.

All passengers must present negative results of a COVID-19 PCR Test dating less than seven (7) days. The result of the test must be

download in the form : https://voyage.gouv.tg/checkphone

COVID-19 PCR Test Procedures for travelling to Lomé

- Carry out your COVID-19 PCR test. You must upload the results of your test as part of completing the traveller declaration form. You will be asked to show the results of the test at boarding. Only passengers who received a negative test result no more than seven (7) days prior to departure will be allowed to travel.

- Complete the traveller declaration form at least 24 hours before your departure to Togo. The form is available here: https://voyage.gouv.tg/checkphone

- Pay for the mandatory COVID-19 PCR test which you will carry out on arrival at Lomé Airport. You can pay via major bank cards (VISA or Mastercard). An electronic receipt containing a QR Code serving as proof of payment will be sent to you by email following payment

- Print out the electronic receipt which serves as a proof of payment or have the receipt ready to show on your phone. Airlines will check if you are in possession of this proof of payment at boarding. Without it, you will not be allowed to travel.
